

Lewis and Clark Area Service Committee
Rcm Report

RCM> Rob H
RCM ALT>

Hello fellow trusted servants,

A lot has occurred in our area over the last few months. We will be working toward a goal date for an area inventory using the Area Planning Tool. I will contact those who expressed a willingness to facilitate this process as soon as a goal date has been decided on. We will be having elections at our next ASC meeting next weekend Jan. 17th to refresh our service structure.

Overall individual group attendance has been stable as well as newcomers coming in the doors. Groups that have struggled in the past have become more stable and self supporting.

Thanks to the WSO and Tony F. our HI/PI chair 275 books were sent out to treatment centers in our area.

Thanks to UMRNA for selecting our area for the 25.5 convention and the other areas and members who travelled to and helped facilitate this event.

A special meeting was held on December 6th to address an issue of theft of NA funds after the Stump Lake Campout this summer. IP #30 was provided to the GSR's prior to this meeting at the last ASC. The ASC responsibility for lack of safeguards and precautions was addressed and a peaceful resolution for reimbursement was achieved. I am very proud to serve on a committee that was able to use the spiritual principles of this program to guide them through this challenge.

In Loving Service,

Rob H.
