

Webservant Report

August 11, 2007

Hits, the number of time any page is viewed, and visits, views from a specific computer, for the last quarter were:

Month	Hits	Visits
May	8180	1360
June	8501	1496
July	8062	1386

Again this quarter our top referrers were NA World Services and Google.

I made 19 updates to the website, all ASC minutes and flyers.

Yours in service,

Daryl F.
